## Community Health Needs Assessment **FOCUS GROUP**

Many families depend upon certain hospitals for their medical care. Working with Baptist, St. Vincent's, Mayo, Brooks, Wolfson & UF Health, the Florida Department of Health and the Health Planning Council of North East Florida wants to learn about your health needs. Hospitals will use your information to help them give you what you need for your health. Join us to share your opinion!

**You must register to attend. Seating is limited.**
