

Purpose

To reduce overdoses by providing support and assistance through community partnerships.

Requirements

- Resident of Clay County
 - 18 years or older
 - Health assessment
- Have Opioid Use Disorder (OUD)

How it works

A Community Paramedicine Team member makes contact with clients to offer

- Medication Assisted Therapy (MAT)
- Risk reduction education and community referrals
- Linkage to Clay Behavioral Health Center Services
- Follow up support for a period of one (1) year
